What are you currently working on?

- ❖ *Building up the design team*
 - *challenging this small group to step into their leadership skills to make decisions, affecting future of curriculum*
- ❖ *Merging design team with similar youth programming to ensure depth and breadth of trainings they receive*
- ❖ *Design team planning virtual recruitment strategy for the main cohort*

What can the community expect in the next 6 months?

- ❖ *Recruiting for and launching the first full cohort of 12 young people later this fall*
- ❖ *Young people from the project area being prepared to meaningfully join in and engage in community meetings*
- ❖ *Increasing opportunities for TCC projects to work with the first generation of youth ambassadors*
